

Our dear Jewish Friends in Israel and worldwide!

We want to greet you in the run-up to July 10th.

This date was chosen by our partner organization DEIN e. V. (democracy and information) <https://www.google.com/search?client=firefox-b-d&q=DEIN+e.+V> as a special day of solidarity with Jews and Israel (see below).

Angelika Messmer, 2nd chairwoman of "Jewish Life of Kraichgau" came to know Leo Sucharewicz, head of DEIN, some years ago and is corresponding with him. In these last weeks she (as well) has searched for more partners for this day of solidarity.

Our member Roman Statler wrote a summary of the interesting background concerning "July 10th - day of solidarity with Jews and Israel". See below.

We sent this summary as a press release to the Kraichgau-newspapers. "July 10th" will take place under the patronage of Dr. h.c. Charlotte Knobloch, Munich, head of the ikg-m.de.

My sister Ellen Häussler translated it to English. See appendix: **Friendship and solidarity with Israel**

Am Jisrael chai! Am Jisrael chai!

Warm greetings in solidarity
in the name of Jewish Life of Kraichgau

Elisabeth/Elisheva (Hilbert) and Angelika/Angie (Messmer)
